TOWN COUNCIL

The town council consists of five (5) members, one (1) elected from, and by the electors of each of the five (5) districts of the town. The council will elect from among its members a president and a vice-president, each of whom shall serve at the pleasure of the council. The president shall preside at meetings of the council. The Town Council shall be recognized as head of the town government for all ceremonial purposes and by the governor for purposes of military law but shall have no administrative duties.

The president of the town council has the power and authority to declare a state of emergency in the event of a disaster, catastrophe, or other similar event, or the imminent danger thereof which endangers the public peace, health, safety, welfare and the protection of property of the inhabitants of the town, and to take such lawful action as he deems necessary.

The council shall be vested with the power to adopt, amend and repeal ordinances for the preservation of the public peace, health, safety, welfare, and for the protection of persons and property and to provide for their enforcement by the enactment of appropriate penalties for the violation thereof.

The council shall have and exercise the following specific powers, subject to the provisions of the constitution, and laws enacted by the General Assembly in conformity with the powers reserved to the General Assembly. The council may enact, reenact, amend or repeal ordinances and resolutions:

- Providing for zoning, building code regulations for the platting and subdividing of land; regulations concerning trailers and mobile homes; and regulations concerning parking on town highways and also on town property.
- For the appropriation of money, the levy of taxes and assessments, borrowing of money and the issuance of bonds, notes or other evidence of indebtedness, for the purchase, sale, lease, or the acceptance of a gift or device, of real or personal property located within or without the corporate limits of the town, and ordinances concerning the holding, management, control, sale, lease and conveyance of such property, and for the condemnation of land located within the town as permitted by the laws of this state.
- The council shall provide for an independent annual audit of all town accounts by a certified public accountant, or by the state bureau of audits, and may provide for such more frequent audits as it deems necessary.

TOWN MANAGER

The Town Manager's office consists of a staff of three. The Town Manager is the Chief Administrative Officer of the Town. He is responsible to the Council for the administration of all town affairs placed in his charge. The Town Manager has the following powers and duties in accordance with the Home Rule Charter:

- Appoint, suspend or remove all town employees and appointive administrative officers, except as otherwise provided by law, the Charter, collective bargaining agreement or personnel rules.
- Direct and supervise the administration of all departments, offices and agencies of the town.
- Attend all Council meetings and have the right to take part in discussion but may not vote.
- Execute all laws, provisions of the Charter and acts of the council, subject to enforcement by him or by officers subject to his direction and supervision, are faithfully executed.
- Prepare and submit the annual budget and capital program to the council and submit to the council and make available to the public a complete report on the finances and administrative activities of the town as of the end of each fiscal year. The Town Manager keeps the council fully advised of the financial condition and future needs of the town and makes recommendations to the council concerning the affairs of the town as he deems desirable.
- Responsible for the care and preservation of all town property and equipment, except property under the jurisdiction of the School Committee.

The Manager may assume, with the approval of the Council, in addition to the duties of the Office of Manager, any other administrative office or offices, or part or all of the duties of any such office under his supervision, with no additional compensation.

In addition to the above, the Town Manager's office handles all human resources duties, including workers compensation, pension plan, and insurance benefits administration. The Town Manager also acts as the Town's Purchasing Agent.

Management Information Systems

The Mission of Information Systems is to provide town departments with the most comprehensive, professional and state-of-the art Information System services. The office services user departments and town residents by developing and maintaining efficient, reliable and progressive data processing systems, computer applications, and networks.

The activities of the Management Information Systems include operations, programming, systems analysis, hardware maintenance, system education and training, system evaluation and Implementation, telecommunications and network development and maintenance.

The department is responsible for all software systems, hardware systems and telecommunications functions for the town, fire dispatch, assistance and oversight of the Police Department, and the financial systems of the School Department.

Town Clerk's Office

The Town Clerk's office provides a wide range of services to the citizens and taxpayers of Coventry as well as the general public.

Recording of land evidence records constitutes a major portion of the workload in the Town Clerk's Office. A staff of four is responsible for the recording process, totaling approximately 8,000 documents placed on record during the 2010 calendar year. In addition, we plan to explore the feasibility of providing access to land evidence information *via* the Internet.

Probate Court functions from within the Town Clerk's Office. The Town Clerk (Probate Clerk) and Deputy Town Clerk maintain probate records, attend Probate Court hearings and are responsible for its' day to day operations. Court is held twice a month; revenue from the 2010 calendar year totaled \$42,930. A new probate computer program remains a priority in order that we may establish a better means of checking and tracking estates.

The Vital Statistics Department is located within the Town Clerk's Office, where birth, death and marriage records are maintained and certified copies are readily available. Marriage licenses may be obtained from this office if the bride lives in Coventry and the marriage takes place in Rhode Island. The State of Rhode Island (Department of Health) implemented a program whereby birth certificates may be obtained at any city or town within Rhode Island, as far back as 1960.

Licensing is an on-going, year round process, with various licenses renewable at different times throughout the year. The Town Clerk's Office issues a variety of licenses, some are quite simple and others require a more involved process which includes a number of recommendations and/or approvals from various town departments and/or state agencies.

BOARD OF CANVASSERS

The Board of Canvassers and Registration is a three member bipartisan canvassing authority elected by the council as provided by the constitution and laws of the state. It is the duty of the board, within one (1) year after each gubernatorial election and each decennial State redistricting, or more frequently, to review and, if necessary, to alter the district boundary lines of the districts to be determined by the board for the election of members of town council, which districts are also to be used for the election of members of the school committee. Under the Charter five (5) districts shall each comprise a contiguous territory contained as nearly as practicable, into equal number of electors, and have well defined boundaries. Each district shall contain as nearly as possible the same number of voters, determined from the registration for the last state wide general election. Districts shall not differ in population by more than fifteen (15) percent of voters in the smallest district created.

The department of the Board of Canvassers also has a clerk who is in charge of voter registration and elections.

TOWN SOLICITOR

The Town Solicitor serves as chief legal advisor to the Town Council and the Town Manager. He/she is responsible for protecting the rights of the Town in all actions, suits, and/or proceedings, civil or criminal, brought by or against it, or for or against any of the departments, offices or agencies, including the Town Council and the Town Manager. He/she does not represent the School Committee. In addition, the Solicitor also performs such other duties as the Town Council and Town Manager may require. The office is also comprised of eight (8) assistant solicitors.

The Town Solicitor is responsible for examining and approving the form of all ordinances and resolutions, invitations to bid, contracts, and other legal documents issued by any department, office or agency of the Town. The Town Solicitor also serves as acting Judge of the Probate Court in the absence, disability, or disqualification of the Judge of Probate or Municipal Court Judge.

COVENTRY MUNICIPAL COURT

In 1985, The Coventry Municipal Court was established by the Coventry Town Council in accordance with the enabling legislation (45-2-24 R. I. G. L.) by the State of Rhode Island. The Judge is appointed by the Town Council to a four year term and he or she must be a lawyer with at least two years at the bar.

The jurisdiction of the court involves violations of any ordinance of the Town including any minimum housing violations in which the Court has equity powers to restrain, prevent, enjoin, abate or correct a violation and to order repair, vacation, or demolition of any dwelling. The Court can compel compliance with said ordinances or law. The fines are established by Ordinance.

The Court also has jurisdiction over certain traffic violations under the State and Municipal Court Compact of 1992 & 2406 (84 8-1 R.I.G.L.) The fines and costs are established under State Law for traffic violations.

The Municipal Court has the power to issue writs or summons and habeas corpus. It has the power to take recognizance.

The Court is considered to be in session at all times at such place in Town as the Judge shall select. At present, the Court meets at night every other Tuesday and holds special hearings during the day when required.

The Court personnel consists of the Judge, the Administrative Clerk and a Clerk. The court sessions are held in the Council Chambers of the Town Hall. During Court sessions there is a Police Officer who serves as a bailiff and the police prosecution officer who assists in the administration of the cases before the court.

The Municipal Court is no longer part of the Ordinances of the Town but is now part of the Town Charter.

COVENTRY PROBATE COURT

The Coventry Probate Court has been established by legislation that allows local cities and towns to establish probate courts to administer those areas within their jurisdiction. The powers and jurisdiction of the Rhode Island probate courts are as follows:

- The probate of wills of residents who were testate at their decease
- The administration of estates of residents who were intestate at their decease
- The appointment of custodians
- The appointment of administrators
- The appointment of guardians of the persons and estates, or of persons only, or of estates only, and of conservators
- The accepting and allowing of bonds, inventories, and accounts of executors, administrators, and guardians
- The granting of leave to sell at public or private sale or to mortgage property
- The partition of the real estate of a deceased person
- The adoption of persons 18 years of age or older
- The change of name of persons
- The removal or filling of a vacancy of any trustee of any trust as established under a will
- The termination of any trust as established under a will
- The setting off and allowance of real estate and personal property to widows and surviving husbands

The Coventry Probate Court has administered probate law for the benefit of the residents of the Town of Coventry in a fair and impartial manner since its creation by statute.

Finance

The Finance Department mission is to provide clear, accurate and timely financial information services and reporting to the Town Manager, the public and to outside agencies, including the State of Rhode Island. The department also provides support to all departments regarding the financial impact of their current and planned activities. It monitors compliance with budgetary performance throughout the year. It provides for the safekeeping and the prudent investment of all Town funds. It timely processes vendor payments to insure continued positive vendor relations and maintains a positive Dun & Bradstreet rating. It maintains an accounting system in compliance with GASB requirements and maintains the Town's fixed asset ledgers. It accurately and in a timely manner processes payroll and related personnel changes.

The Finance Department is divided into three components: The Treasury / Accounting Function, the Tax Collection Function and the Tax Assessor Function. The latter two are presented as separate Departments.

The Finance Director is responsible for all activity within the department. He/she is directly responsible for maintaining the books and records for the Sewer Enterprise Fund, including the continued monitoring of construction activity and compliance with sewer bond requirements. He also maintains the fixed asset records, including those of the School Department. He also is responsible for communication with the Town's Auditors and various State Regulators.

Directly responsible to the Finance Director is the Deputy Treasurer. The Deputy has direct responsibility for maintaining the books and records for the Town's General Fund and Restricted Funds activities and compliance with restrictions. She provides accounting supervision over all departmental activities as well as the day-to-day cash flow and investment management. He/she is responsible for review and/or preparation of monthly General Fund Financial Reports along with required Federal and State Reporting on Restricted Fund activity.

The Accounts Payable and Payroll Clerks report directly to the Deputy. They maintain appropriate ledger control for all funds and disburse monies as appropriate. They provide an "audit" function to insure compliance with budget requirements, in that all required approvals are present and that payroll activity complies with appropriate union contracts or Town policies.

Tax Assessor

The Tax Assessor's Office is responsible for the annual assessment and preparation of regular and special tax rolls which include real estate, motor vehicle excise, business personal property and inventory. The staff is dedicated to providing fair, accurate and timely assessments and exceptional public service.

The General Laws of Rhode Island require the Assessor to insure that all assessments are fair and equitable. The office is an integral part of the Finance Department wherein property tax assessments are continuously maintained to insure that the Tax Collector has the most accurate and current information for the collection of taxes in a timely manner. The staff is responsible for all clerical functions performed in the update and maintenance of annual tax records, including reading and analyzing deeds, insuring that the Town's tax maps are kept current, updating ownership records and mailing addresses, mailing of business personal property returns, processing of exemption applications and tax appeals, and providing various types of information to a multitude of customers.

Rhode Island State Laws mandate that cities and towns perform full revaluations of all classes of property every nine (9) years, and a statistical update of all property values every third and sixth year thereafter.

Tax Collector

The Tax Collector must make sure that each taxpayer is treated fairly and according to the Rhode Island General Laws. It is the objective of this department not only to provide taxpayers with an accurate tax bill, but to process all payments made on the tax bills accurately and in a timely manner. The office is further dedicated to ensure that all taxpayers are treated with the same courtesy, regardless of whom they are or who they know.

The Tax Collector's Office is responsible for the printing, mailing, collection of annual real estate, tangible, and motor vehicle tax bills. In addition, the department has also taken on the responsibility of inputting, printing, mailing, and collection of sewer assessment and sewer use billing. The Collector's department plays an important role to ensure that the Tax Assessor's records are accurate. Once the tax bills have been sent out, they report any address changes or billing errors to the Tax Assessor so that their records can be corrected for future notices. The Tax Collector balances the collections each month with the Finance Department to verify that the funds received and posted in the office have been recorded in the general fund account. On an annual basis the office conducts a tax sale on properties with more than two quarters of delinquent taxes. Prior to any tax sale, the collector notifies prospective taxpayers of their delinquent status and the need for them to come in to make payment arrangements. The office also provides Municipal Lien Certificates for real estate sales and property refinances. MLC's provide mortgage companies and lawyers with the legal property tax status due on a particular parcel.

Police Department

It is with great pride that the men and women of the Coventry Police Department serve the town. The department's mission is to protect the community, enhance public safety and reduce the incidents and fear of crime. It is the Town's responsibility to keep department members safe by providing them with the necessary equipment and training so that they may provide service to our community of 35,000+ individuals in an area of 64.4 square miles.

The personnel of 56 sworn officers and 12.5 civilians (presently there are 4 officers on active military duty) were responsible for 26,700 calls for service, 10,929 self initiated calls, the arrest of 1377 individuals, response to 1086 accidents, issue of 6155 citations, initiation of 10,929 calls and miscellaneous incidents totaling 2,076 in calendar year 2010.

The Detective Division, consisting of 9 detectives, works tirelessly to solve various crimes where a patrol officer does not possess the time or specialized training to continue their investigation or bring it to the level of prosecution. Cases include, but are not limited to, identity theft, credit card fraud, sexual assault and child molestation, child pornography, computer forensics, white collar crimes and narcotics trafficking investigations. The members of the detective division are a well trained team who have partnered with outside agencies such as the United States Marshals Service and the Rhode Island State Police Internet Crimes Against Children Unit, (RIICAC). These cooperative efforts have provided our agency with enhanced investigative skills, equipment and technological support.

We currently have one officer assigned to the high school to deal with the students and the various issues that present themselves in a school setting but were unable to support retaining our officer at the Alan Shawn Feinstein Middle school due to manpower requirements.

The Legal Division staff, consisting of three personnel 3 sworn officers and one clerk, is a seasoned team of experienced officers who are well respected in the court community not only for the professional work they perform but also for the large quantity of work they are able to move through the various court systems. In 2006, the department added a canine officer which has proven successful in solving crimes, detecting narcotics and conducting search and rescue operations. The handler and his canine, Enzo, are well respected in the law enforcement community and are frequently requested by neighboring agencies due to their proficiency.

The department possesses a joint SWAT team in collaboration with the West Warwick Police Department. This team is committed to promoting a strong professional presence when its services are required. Over the last several years, town residents have been encouraged to learn about the day to day operations of the police department through a 13 week program presented by members of our agency. This outreach has paid great dividends to our agency in the form of support from the community.

The civilian staff supports the department through clerical, dispatch, information technology, janitorial and finance related duties. All are critical to the success of the department. Under Safety and Welfare are the Animal Control Division, Crossing Guards and Emergency Management Departments. Presently, the Animal Control staff consists of 3 full time employees. There are over 4000 dogs licensed in our town. The

ACO's respond to approximately 1000 calls for service per year with varying degrees of need and severity. Their kennel takes in nearly 500 strays per year and handles day to day inquiries. The Crossing Guard staff consists of 5 part time employees who cover 15 posts twice a day. The Emergency Management Department has no full time staff but is under the direction of the Chief of Police.

The FY 2011 budget consists of less than 5% that is allocated to provide services, material supplies and fixed charges to the department. Some line items are beyond the department's control, i.e. fuel prices, but of those which are, they are carefully and thoughtfully managed. The department has been able to support the budget with various grants that provide additional services to the Town. Examples of such funding would be DUI Enforcement, Speed Deterrent, Child Safety Protection and Seatbelt grants. The police department also has had the ability to be awarded block formula grants wherein a certain amount is allocated to the department under moderately strict guidelines. The department has the discretion to use the funds where they find it is most needed. Presently, funds are being utilized to support communications infrastructure.

BUDGET COMMENTARY
2011-2012

DEPARTMENT: Safety & Welfare
PROGRAM: Police

71-101	PAYROLL				
	SEE PERSONNEL ANALYSIS FOR BREAKDOWN OF POLICE AND CIVILIAN PERSONNEL'S STATUS OF BASE, HOLIDAY, LONGEVITY, SHIFT DIFFERENTIAL PAY, WAIVERS AND BONUS.				\$4,258,609
71-102	TEMPORARY EMPLOYEES				\$0
71-103	OVERTIME				\$272,500
	BASED ON OUR STUDY OF THE PREVIOUS YEARS AND THE CURRENT YEAR'S PROGRESS AND PROJECTION, THIS INCREASE SHOWS THE ADEQUATE AMOUNT NEEDED TO COVER MINIMUM MANPOWER REQUIREMENTS, COURT APPEARANCES, CALL BACK CASES, DISPATCHING AND THE REQUIRED CIRCUMSTANCES OF AN OFFICER HAVING TO STAY LATER THAN HIS/HER SHIFT. THIS ALSO INCLUDES FOR 40 HOURS OF IN-SERVICE TRAINING				
71-104	VACATION				\$182,700
	VACATION REPLACEMENT IS PAID BY CONTRACT AT STRAIGHT TIME, EXCEPT WHEN AN OFFICER IS ORDERED TO FILL A POSITION TO MEET MINIMUM MANPOWER REQUIREMENTS. THIS ACCOUNT IS CALCULATED BY THE AVERAGE TIME OF VACATION EARNED (18), BY EACH OFFICER (34) FOR THE YEAR, BY THE AVERAGE HOURLY RATE OF AN OFFICER @ (\$190/DAY), AND AN ALLOTMENT FOR THE ABOVE. ALSO INCLUDES CYCLE (\$800/MO)				
71-106	PENSION				\$2,274,733
	BASED ON THIS YEARS FUNDING NEEDS				
71-107	F.I.C.A. AND MEDICARE		Payroll & applicable accounts

Public Works Department

Over the years the Department of Public Works has seen many changes and has grown into a very proud, diversified and talented organization. As the town grew through residential developments so have the miles of road to be swept, plowed and maintained. Coventry is a very attractive haven for residential developers and this unfortunately has its downside. When ever a new development is built all that comes with it is absorbed and folded into our daily work. This ultimately means that it takes longer to plow snow, sweep streets, cut brush, put up signs, make asphalt repairs, pickup garbage, recycle, bulk and still make time to do extended projects through out the year.

Staffing levels have almost remained the same over the years. For example in 1980 there were 18 people in the Roads and Bridges Division. Today there are 23, but of those 2 attend to the Transfer Station. Over the years jobs have changed to meet the maintenance demands as the town grew. For instance there used to be Laborers in the Roads & Bridges Division. As they attrited from the workforce the positions were upgraded to Drivers so that the expanding Town could receive better snow plowing service and be more diversified during daily operations. In 1980 we had 14 plow routes; today we have 21. This means we draw from another division, and sometime department and contractors, to plow if we are short during a winter storm event. Another good example of our town's expansion is the 950 catch basins we maintained in 1984. They have quickly become the 2,349 we maintain today.

The continuous housing development has also had a huge impact on our Sanitation division. Similar to the snow plow routes, if a new subdivision is built within the boundaries of a garbage route it becomes part of that route, sometimes adding as many as 30 stops at a time. When the Sanitation Division started in the late 1970's we had 4 men and 3 routes, it has grown to 9 daily routes. The construction of the Transfer Station was a huge benefit to our operation in 1983. However, the mandated statewide recycling program and the ban of yard waste at the landfill have made significant changes to our workload. We currently have 1 Working Foreman, and 10 Driver Collectors assigned to the division. During the 1981-82 fiscal years it was reported that 10,000 tons of garbage was collected and disposed of, including recyclables and yard waste. Compare this to the 17,656 tons that was picked up during the 2009-2010 fiscal year.

The Vehicle Maintenance Division is staffed with 1 working Foreman, 3 Mechanics and 1 Special Duties Clerk. In 1980 we had 1 Foreman, 2 Mechanics, 1 helper and 1 Special Duties Clerk. During the 1990's and the earlier part of 2000's we had an Office Staff of 2 Full time Clerks and 1 part time Clerk to do the dispatching, payroll, attendance, bills for five departments, correspondence, constant phone calls, complaints, educating the residents on recycling guidelines, maintenance of the gas system, ordering supplies and assisting and answering all the walk-in complaints and questions. Today we have two full time office workers to accomplish the above listed work.

The Building Maintenance Division in 1980 was staffed with 1 Town Wide Maintenance Worker and 1 Janitor. Today we have 1 Town Wide Maintenance Worker and 1 full time and 1 part time Janitor. The part time Janitor came on board when the Town Hall Annex Building was added.

The Coventry Department of Public Works will continue its endeavor to give its residents the full menu of services they deserve, regardless of any adversities that the Town may face. We have a very professional and talented work force that we can be proud of.

ANNUAL BUDGET
Fiscal Year 2011-2012

BUDGET COMMENTARY**DEPARTMENT: Public Works - 830**

<u>4. Special Police Detail</u>	\$5,000	
More emphasis is being placed on roadside construction safety. The Police Department provides the special traffic detail when we are working in high volume traffic areas. This year's request is for 6,000.		
YEAR	COST	
00-01	1709	
01-02	907	
02-03	3350	
03-04	n/a	
04-05	5626	
<u>5. Storm Drain Line Cleaning</u>	\$10,000	
This is for the rental of a high pressure vacuum truck and high pressure jet machine to clean out catch basins and storm drains.		
205 <u>Medical and Dental Services</u>	\$0	
This account is used for the replacement of eyeglasses damaged on the job and for physicals.		
206 <u>Blasting Services</u>	\$0	
This account is used for the blasting of large rocks and boulders usually found in the right-of-way of roads that we are improving on a yearly basis. This year's request is the same as last year's, 3,000.		
219 <u>Professional Services</u>	\$7,000	
(TREE REMOVAL)		
This account is for the removal of trees on Town property that cannot be removed by Town forces. The demand for this service has grown tenfold. Over the years the many hurricanes, gypsy moth infestations and general diseases have left hundreds of trees on our roads dead or dying. These trees are a liability concern.		
224 <u>Travel</u>	\$0	
This provides monies for the Superintendent and Safety Compliance Officer and other employees to attend job training seminars.		
242 <u>Repairs to Streets and Sidewalks</u>	\$45,000	
This account funds asphalt work done by the Public Works Dept. such as pot holes, berms and excavation patches.		
YEAR	BUDGET	ACTUAL
02-03	70,000	20,906
03-04	70,000	10,541
04-05	70,000	22,115
05-06	40,000	22,537
06-07	40,000	81,111
07-08	50,000	40,156
08-09	50,000	67,396
244 <u>Repair of Operating Equipment</u>	\$500	
This account is for the repair of power tools and equipment such as chain saws and brush cutters that are sent out to be repaired.		

**ANNUAL BUDGET
Fiscal Year 2011-2012**

BUDGET COMMENTARY**DEPARTMENT: Public Works - 830**

254	<u>Machinery Rental</u>	\$0
	This account allows us to rent equipment that we do not own but need to accomplish our projects. Items such as rollers, chipperspreaders, drain cleaners, screeners and excavators.	
275	<u>Towing Service</u>	\$0
	This is for towing of department vehicles.	
	TOTAL CONTRACTUAL SERVICES	\$129,500

MATERIALS AND SUPPLIES

321	<u>Agricultural & Horticultural Services</u>	\$1,000
------------	---	----------------

This account is for the purchase of grass seed, fertilizer, hay bales for erosion control and all other related items.

<u>YEAR</u>	<u>BUDGET</u>	<u>ACTUAL</u>
03-04	270,000	295,008
04-05	270,000	303,064

\$1,809,100**Roads & Bridges Narrative**

There is one (1) Superintendent, two (2) working foremen, five (5) equipment operators, twelve (12) drivers, and two (2) transfer station attendants. Each and every position is stretched to the maximum effort.

The Roads and Bridges Division of Public Works is responsible for the maintenance of all the towns transportation infrastructure. This is a very visible and substantial task that at some point during the years time effects every resident eligible for Town services. Some of the services performed by this division include street sweeping, snow removal, pot hole patching, street signs, brush cutting, drainage installation and repair, and bridge repair.. Roads and Bridges is also proud that it is able to maintain eight (8) bridges throughout the Town of Coventry as well as 140+ culverts that require maintenance. We maintain gravel roads in the western end of our Municipality by grading these roads frequently. In addition to this we lend direct support to the Recreation Department, School Department and the Coventry Senior Center.

**ANNUAL BUDGET
2011-2012**

BUDGET COMMENTARY**DEPARTMENT: Snow Removal - 840****PERSONAL SERVICES**

103 Overtime **\$75,000**

Determining budget figure for overtime expenditures falls into the best guess category. As housing grows in the Town, so does the overtime expense for Snow Removal. There are more houses and more streets which means it takes more time to clear the snow. The only way to reduce the response time is to add men and equipment. The public expects the streets to be cleaned in a reasonable amount of time. Obviously, the amount of overtime used is dependent upon when it snows. The more snow clearing operations that occur on weekends and holidays, the higher the annual overtime expense. This is, unfortunately, what tends to happen. This year's request is a realistic. The chart below does show what our actual expense's have been.

TOTAL

107 F.I.C.A. **\$5,738**

\$1,088**TOTAL PERSONAL SERVICES****\$80,738****CONTRACTUAL SERVICES**

201 Temporary Services **\$0** **\$0**

The town has grown rapidly over the last few years and the public works department has two less drivers, one less mechanic and the non funding of a capital Improvement budget to replace trucks has made it very difficult for us to supply the snow removal service to the entire town. This request is for the hiring of one truck and man with a plow and sander to supplement our snow plowing effort.

275 Towing **\$0** **\$0**

This account is for the towing of vehicles broken down during Snow Removal operations.

TOTAL CONTRACTUAL SERVICES**\$0****MATERIALS AND SUPPLIES**

**ANNUAL BUDGET
2011-2012**

BUDGET COMMENTARY**DEPARTMENT: Snow Removal - 840****319 Salt****\$120,000**

The chart below shows the history of our salt account budgeting figures, the actual amount spent, delivery price and actual tons purchased in that year. What the chart does not show is the type of winter storm and the frequency that they occurred. We now mix two salt to one sand. This gives us better melting action thus reducing to total amount of material used. The construction of new subdivisions not only effects plowing efficiency but also requires the use of more salt and sand which ultimately is depleted. The cost

02-03	43,500	86,402	32.98	2,620
03-04	35,000	75,415	32.98	2,286
04-05	35,000	107,735	41.82	2576
05-06	70,000			2,242

326 Sand**\$20,000**

The price of sand in 10-11 was \$10.69 / ton and so far this year we have used about 3000 tons. This years request is the same as last year.

YEAR	BUDGET	ACTUAL	\$/TON	TONS
01-02	42,000	18,277	6.90	2,649
02-03	38,000	43,114	7.90	5,457

**ANNUAL BUDGET
2011-2012**

BUDGET COMMENTARY**DEPARTMENT: Snow Removal - 840****334 Equipment Repair Parts \$25,000**

The maintenance of our snow fighting equipment is a never ending task. As soon as the plows and sanders come off in the spring, maintenance begins. Plows are fixed and painted, and sanders are washed, oiled, and repaired. Some of the items purchased with this account are plow blades, bolts, nuts, sander tie downs, hydraulic pistons, hoses, fittings, spinners, sander chains, paint, stock steel, wiper blades, light bars and many other related items. As our fleet grows older, our maintenance costs rise as is reflected by the actual amounts needed last year and already this year.

YEAR	BUDGET	ACTUAL
01-02	19,000	22,702
02-03	19,000	22,027
03-04	19,000	19,050
04-05	19,000	34,106
05--06	30,000	29,956
06-07	30,000	25,570
07-08	30,000	24,426
08-09	30,000	28,594

358 Snow Plow Damage \$500

This line item is for the purchase of materials and things that are damaged by snow plowing. Some examples of things that are inadvertently damaged are: mailboxes and posts, shrubbery, curbing and lawns.

TOTAL MATERIALS AND SUPPLIES \$165,500

540 Depreciation \$0**\$246,238****BUDGET NARRATIVE**

The removal of snow and ice from town roads is an essential service which is critical to public safety, is expected by the taxpayers and is a service complicated by the concern for liability.

This years total budget dollar request is \$50,000 more than last years because of the need to hire a private contractor to supplement our Snow Plowing effort.

In past years we used to mix our sand pile in a three sand to one salt mixture because that was always the way it was done. This ratio produced little melting action thus we would use a lot more sand and salt trying to clear our roadways. Our new philosophy is to get out early, pretreat the roadways as soon as possible, create a brine to produce melting to prevent the bonding of the snow to the pavement so that it may be plowed off; thus leaving bare pavement that can dry as quickly as possible after a storm. Ultimately by using more salt and less sand we will have less material on our streets to sweep and less sand in our catchbasins to clean.

2011-2012**

BUDGET COMMENTARY**DEPARTMENT: Refuse Disposal - 870****CONTRACTUAL SERVICES****223 Refuse Disposal Services**

The current municipal tipping fee is 32.00/ton and the new over the cap tipping fee is \$54.00/Ton.

1. Rhode Island Solid Waste Management Corporation**\$397,544**

Coventry's Municipal Solid Waste Cap for F.Y. 2011 will be about 10,900 Tons. Our Total estimated waste disposal tonnage for F.Y. 2010 is 12,500 ton.

10,900 tons X \$32/ton cap =	348,800	\$348,800
902.66 ton X \$54/ton over cap =	48,744	\$48,744

2. Disposal Service**\$156,125**

Rambone Brothers is our hauling company and they charge the town \$12.49 per ton.

12500 Tons x \$12.49 per ton =	156,125	\$156,125
--------------------------------	---------	-----------

3. Yard Waste:

Yard waste is all the grass, leaves, brush and Christmas Trees that is picked up curbside or dropped off at the transfer station. Last year we disposed of 2195 tons or 12% of the garbage and recycleable materials combined. There's 880 ton cap on the amount of Yard Waste that is tipped for free Everything over that amount there is a \$25 per ton charge. 2200 T - 880 T = 1320 T

\$60,478

2200 tons x \$12.49	=	\$27,478
1320 ton x \$25	=	\$33,000

4. Refrigerators and Mattresses

Last year 228 refrigerators were picked up or dropped off. This year we are on track to dispose of 228 at \$10 each to have the freon taken out and 68 TON of mattresses at \$250 ton.

\$19,280

228 Refrigerators x \$10.00 each =	\$2,280
Mattresses, 68 ton x \$250/ton	\$17,000

TOTAL CONTRACTUAL SERVICES**\$633,427****FIXED CHARGES****402 Licenses and Permits****\$3,000**

This is for the license fee for the Transfer Station. This fee is paid to the Department of Environmental Management's Solid Waste Division and will be due on December 30, 2011. License is for 3 yrs -- paid 12/30/08, Next due on December 2011.

441 Electric Light and Power**\$4,000**

For electric service at the Transfer Station.

<u>YEAR</u>	<u>COST</u>

BUDGET COMMENTARY**DEPARTMENT: Vehicular Maintenance - 880**

207	<u>Instructional Services</u>	\$0
	This line item is for seminars and instructional training that could be available for our mechanics. Organizations such as the American Public Works Association and the Ford Motor Company offer annual training on various topics related to vehicular maintenance.	
210	<u>Testing Service</u>	\$1,200
	This request is for the possible leak detection test of the heating oil tank at the police station, and to have our underground tank at the Public Works Garage done.	
222	<u>Freight and Demurrage</u>	\$3,000
	This account pays for freight charges for repair parts in the budget as well as the rest of the Public Works Department. It also pays for the rental of oxygen, acetylene and argon tanks.	
243	<u>Repair Fixed Plant Equipment</u>	\$1,000
	This account is used for repairs to shop equipment such as jacks, grinders, drill presses, impact guns, compressors, and building equipment such as lights, doors, windows, electrical problems, and HVAC system repairs.	
244	<u>Repair of Operating Equipment</u>	\$1,500
	This account covers the repair of equipment that cannot be repaired by town forces. The type of services done are welding, painting, air conditioner repairs, and other specialized problems.	
245	<u>Maintenance of Office Equipment</u>	\$0
	This account is for the service agreement for the copy machine.	
246	<u>Maintenance of Communication Equipment</u>	\$500
	This account is for the repair and installation of radios in our vehicles and equipment. Some of the repairs required are new antennas, broken wires, microphones and other similar inherent problems related to radios.	
254	<u>Machinery Maintenance Contracts</u>	\$1,600
	This account is for the Annual inspection of our lifts in the garage.	
274	<u>Vehicular Washes</u>	\$0
	This account is for full service cleaning and washing of administrative sedans on a monthly basis.	
275	<u>Towing Services</u>	\$1,000
	This account is for all public works towing.	
	TOTAL CONTRACTUAL SERVICES	<u>\$9,800</u>
 MATERIALS AND SUPPLIES		
301	<u>Office Supplies</u>	\$1,000
	This account supplies both the Vehicular Maintenance Office and Public Works.

Parks and Recreation

The Coventry Parks and Recreation Department is charged with developing a comprehensive, year round, fee based program schedule for all populations from preschoolers to senior citizens. In 2010 the revenue report for the department reflects collections of \$275,759.70 in program fees and admissions of which \$148,709.39 is deposited to Town General as Miscellaneous Revenue or reserved for program development. We will continue with our comprehensive program planning for all populations and the addition of the Flat River Gymnasium should enable us to provide better activities. The 2011 summer camp is proposed for 6 weeks with many field trips spread over a revised 6 weeks format. Our maintenance staff is responsible for over 500 acres of park property and municipal buildings through a seasonal maintenance program for servicing athletic fields, playgrounds, beaches, open space, and play courts. An effort is made to coordinate maintenance of facilities in keeping with the schedules of 30 youth and adult athletic programs. Youth sports enrollment numbers are projected at 4222 and all of the leagues continue to improve facilities with various amenities supported through fund raising programs. From Ravenwood Recreation Area off Route 102 to the Harris Mill Park on Main Street in Harris, our maintenance responsibilities continue to expand annually. We are now attempting to implement the DEM approved Land Management plans for the Neylon Conservation Area and the Hall Conservation Area that surround Stump Pond in Coventry Center. In 2009 two older vehicle replacements were achieved to help us address these tasks. Crews assist the Coventry Land Trust with maintenance services at properties such as the Mahoney Farm and Hope Meadows.

The Recreation Department, with a full time maintenance staff of 7, is also charged with the management of the Coventry Recreation Community Center where numerous recreation programs are held and where over 50 non-profit organizations meet for social, civic and charitable functions. Last winter our staff performed a complete remodel of the Community Center kitchen and Teen Center kitchen as well. In the summer of 2009 air conditioning was installed in the main hall of the Center and the basement heating system was upgraded in 2010. The department administers policies and assesses fees for use of one of the Town's greatest resources; Lake Tiogue. Fishing, boating, and swimming are offered for everyone's enjoyment. Limiting admissions to Briar Point Beach have challenged the staff and reduced revenues from prior years but have also improved lifeguard to patron ratios. The new restrooms/picnic pavilion has enhanced the experience for all. New passive facilities along the east shore of Tiogue Lake are proposed in concert with new residential development and waterfront land acquisition.

In an effort to meet the continued demand for passive and active recreational facilities, the Parks and Recreation Department continues with the development of three major park sites; the new Ravenwood Recreation Area as well as Foster Memorial Park and Central Coventry Park. The Coventry Greenway, now officially part of the East Coast Greenway, will consist of a paved bicycle path and trails for hiking, jogging, and horseback riding. Coupled with the RIDEM's Trestle Trail Shared Use Path (Currently at 90% design) residents will one day enjoy a 15 mile continuous trail that literally bisects the community. Construction to the unimproved section of the Coventry Greenway from Quidnick to Washington Village was completed in September 2010. The westerly most segment is closed for work in 2011. The completion of a new restroom/pavilion at Central Coventry Park is a

welcome addition for all patrons and will be accessible to Greenway users as are three other public restrooms along the Town's five mile route. Public park restrooms are available from April 1 to November 1, Significant strides were made in 2009/2010 as 4,677 linear feet of chain link fences and post and rail fence were installed to help secure Town/State investments in public recreation property. The Recreation Department continually reviews newly proposed developments and makes recommendations as to the impact on existing recreational services and facilities and the need to reserve land to provide facilities. Three new parcels are anticipated in 2010 from Lake Tlogue to Coventry Center. Ravenwood, opened in May 2007, is our most recent example of a partnership between the Town and the developer to add recreational resources to keep pace with growth. Once completed, the Western Coventry Park will provide ball fields, courts, parking, picnic facilities, trails and playground facilities. Through the use of the newly adopted Fair Share Development Fees, we should see greater success in keeping pace with a rapidly expanding community, Three recreation projects were approved by RIDEM for improving and expanding facilities under matching grant programs, The Paine Field parking and skate park expansion was completed , the Anthony Village Green makeover will be completed in 2011 and Rice Memorial Field will receive new bleacher seating for the 2011 season, The department has done well historically in securing grants for these types of projects and works closely with the Planning Department and the Land Trust in reviewing potentially new recreational and open space areas. Recent acquisitions may be featured in the Seasonal Hiking Series expected to resume in September 2011.

COVENTRY PARKS AND RECREATION DEPARTMENT**2011/2012 PROPOSED OPERATING BUDGET
BUDGET NARRATIVE**

The Coventry Parks and Recreation Department is charged with developing a comprehensive, year round, fee based program schedule for all populations from preschoolers to senior citizens. In 2010 the revenue report for the department reflects collections of \$275,759.70 in program fees and admissions of which \$148,709.39 is deposited to Town General as Miscellaneous Revenue or reserved for program development. We will continue with our comprehensive program planning for all populations and the addition of the Flat River Gymnasium should enable us to expand activities. In addition to the ever popular summer playground program and other seasonal activities, new initiatives for 2011/2012 may include specialty camps, school vacation camps, expanded middle school camp and other new seasonal special events. The 2011 summer camp is proposed for 6 weeks with many field trips spread over the revised 6 weeks format.

Our maintenance staff is responsible for over 500 acres of park property and municipal buildings through a seasonal maintenance program for servicing athletic fields, playgrounds, beaches, open space, and play courts. An effort is made to coordinate maintenance of facilities in keeping with the schedules of 30 youth and adult athletic programs. Youth sports enrollment numbers are projected at 4222 and all of the leagues continue to improve facilities with various amenities supported through fund raising programs as evidenced by the 2009 Little League Diamond makeover at Paine Field. Two seasonal part-time staff are proposed in the budget for 2011/2012 due to expanding responsibilities in buildings and grounds maintenance. From Ravenwood Recreation Area off Rte. 102 to the Harris Mill Park on Main Street in Harris, our maintenance responsibilities continue to expand annually. We are now attempting to implement the DEM approved Land Management plans for the Neylon Conservation Area and the Hall Conservation Area, that together, surround Stump Pond in Coventry Center. In 2009 two older vehicle replacements were achieved to help us address these tasks. Crews assist the Coventry Land Trust with maintenance services at properties such as the Mahoney Farm and Hope Meadows.

The Recreation Department, with a full time maintenance staff of 7, is also charged with the management of the Coventry Recreation Community Center where numerous recreation programs are held and where over 50 non-profit organizations meet for social, civic and charitable functions. Last winter our staff performed a complete remodel of the Community Center kitchen and Teen Center kitchen as well. In the summer of 2009 air conditioning was installed in the main hall of the Center and the basement heating system was upgraded in 2010. The department administers policies and assesses fees for use of one of the Town's greatest resources; Lake Tiogue. Fishing, boating, and swimming are offered for everyone's enjoyment. Limiting admissions to Briar Point Beach have challenged the staff and reduced revenues from prior years but have also improved lifeguard to patron ratios. The new restrooms/picnic pavilion has enhanced the experience for all. New passive facilities along the east shore of Tiogue Lake are proposed in concert with new residential development and waterfront land acquisition.

In an effort to meet the continued demand for passive and active recreational facilities, the Parks and Recreation Department continues with the development of three major park sites; the new Ravenwood Recreation Area as well as Foster Memorial Park and Central Coventry Park. The Coventry Greenway, now officially part of the East Coast Greenway, will consist of a paved bicycle path and trails for hiking, jogging, and horseback riding. Coupled with the RIDEM's Trestle Trail Shared Use Path (Currently at 90% design) residents will one day enjoy a 15 mile continuous trail that literally bi-sects the community. Construction to the unimproved section of the Coventry Greenway from Quidnick to Washington Village was completed in September 2010. We apologize for any inconvenience while the westerly most segment is closed for work in 2011. The completion of a new restroom/pavilion at Central Coventry Park is a welcome addition for all patrons and will be accessible to Greenway users as are three other public restrooms along the Town's five mile route. All public park restrooms are available from April 1 - November 1. Significant strides were made in 2009/2010 as 4,677 linear feet of chain link fences and post and rail fence were installed to help secure Town/State investments in public recreation property.

The Recreation Department continually reviews newly proposed developments and makes recommendations as to the impact on existing recreational services and facilities and the need to acquire land to expand facilities. Three new parcels are anticipated in 2010 from Lake Tlogue to Coventry Center. Ravenwood, opened in May 2007, is our most recent example of a partnership between the Town and the developer to add recreational resources to help keep pace with growth. Once completed the Western Coventry Park will provide ballfields, courts, parking, picnic facilities, trails and playground facilities. Through the use of the newly adopted Fair Share Development Fees, we should see greater success in keeping pace with a rapidly expanding community. Three recreation projects were approved by RI DEM for improving and expanding facilities under matching grant programs. The Paine Field parking and skate park expansion was completed, the Anthony Village Green makeover will be completed in 2011 and Rice Memorial Field will receive new bleacher seating for the 2011 season. The department has done well historically in securing grants for these types of projects and works closely with the Planning Department and the Land Trust in reviewing potentially new recreational and open space areas. New acquisitions may be featured in the Seasonal Hiking Series expected to resume in September 2011.

DEPARTMENT 910 Recreation

PROGRAM Personnel Services

- 42 Building Attendant (1) services are required at the lavatory facilities at the rear of the Community Center, Foster Memorial Park, Rice Field, Briar Point Beach and Central Coventry Park. Services are required week nights and weekends for the playing season from April through November. Staff is assigned from 5pm-10pm week nights and for a six hour period during the day on Saturday and Sunday. (See Park Patrol facility inventory for sites addressed.)
July - November 37 hours x 19 weeks x \$11.28
April - June 37 hours x 13 weeks x \$11.28
Total 32 weeks x 37 hours per week x \$11.28 = \$13,355.52 13,356
- 43 Park Patrol (0) (Reinstatement)
Services are required week nights and weekends for the playing season from April through November. Staff is assigned from 5pm-9pm week nights and for a six hour period during the day on Saturday and Sunday. (Reduced 5 hours per week from prior years.) Supervision and inspection of park sites (38) including: Quidnick Field, Briar Point Beach, Harris Playground, Chace Field, Fairview Commons, Colonial Acres, Arnold Rd. Causeway, Central Coventry Park, Village Green, Rice Field, Green Acres, Walker Farms, Flat River Middle School Fields, Ravenwood, Giblin Park, Focal Point, Whipple Con. Area, Trestle Park, Fish Hill Fields, Sandy Acres, Central Coventry Park, Foster Park, Paine Field, Lake Tiogue Boat Ramp, Highwood Playground, Sherman Park and numerous locations (20) along the Greenway.
July - November 32 hours x 19 weeks x \$11.28 = \$6,858.24
April - June 32 hours x 13 weeks x \$11.28 = \$4,692.48
Total 32 weeks x 32 hours per week x \$11.28 = \$11,550.72 -
- Building Attendant is unable to effectively service all five buildings and perform the Park Patrol function. Park Patrol monitors all parks (38) and Greenway Crossings (20) for any violations of Town Council ordinances. Reports of hazards or vandalism are submitted daily for assignments of maintenance crews. Can be a deterrent to vandalism, B & E Etc... In the first half of this fiscal year we have spent nearly half of this value in vandalism repair.
- 44 Coventry Youth Litter Corp. Supervisor (0) Reinstatement
26 hours per week x 8 weeks = 208 hrs. x \$11.28 per hour = \$2,346.24
Leads the youth in cleaning parks throughout the town with emphasis on major parks. -
- 45 Coventry Youth Litter Corp. Team Members (0) Reinstatement
24 hours per week x 7 weeks = 168 hrs. x \$7.69 per hour = \$1,291.92 x 4 = \$5,167.68
Clean up litter and recyclables throughout the town at parks, playgrounds, water front, Greenway. This summer program was the only concerted effort to pick up litter throughout the town. We haven't picked up litter in three years!! -
- 46 Seasonal Maintenance Crew (0) (Reinstatement)
Supports part time workers for the "Green Season" from April 1 thru August 31 for each year.
40 hours x 20 weeks = 800 hours x \$12.30 per hour = \$9,840.00
\$9,840.00 x 2 positions = \$19,680.00
Crews will work along with full time staff and perform spring field prep, water front maintenance, summer mowing/trimming, bi-weekly trash collection/litter pickup, summer camp needs and fall sport prep. Will assist with added responsibility for maintenance of 5 mile Greenway. (Proposal is reduced from prior years when the season was extended into fall cleanup.) (See park patrol facility inventory.) -
- 47 Skate Park Attendant (2) This is a 28 week position during peak period use to monitor all recreation programs. Intended to be "eyes & ears" of the department after business hours. With the intense summer schedule for baseball, softball, tennis, the bike path, basketball league and the new skate park we need the attendant on the premises. The individual monitors the coming and going of all park patrons for departmental programs and league activity. With literally hundreds of people entering the park each day for evening and night activity we should have a presence. The individual might be involved in animal control, smoking ordinance, field permits, speeding traffic or illegally parked cars, serving as a liaison with leagues, curfew violation, or disputes. Proposed schedule is Monday thru Friday from 2pm-10pm and Saturday and Sunday 2pm-10pm. This position would provide reports on attendance, injuries, police intervention, rescue calls, parental concerns and feedback from patrons. Proposal for July, August, September, October 2011. Proposed for April, May and June 2012 with weekly hours adjusted seasonally.
Total 1400 man hours x \$13.33 per hour = \$18,662.00 (Reduced 168 hours or \$2,184.00 over prior years.)
Hours 2-8pm April and October, 2-9pm May and September, 2-10pm June, July and August. 18,662

*(Fees are collected from the participants to defray these program expenses.) (See separate revenue report.)

SUB-SECTION - FLAT RIVER GYM PROGRAMS (LIMIT 570) (New)

- 48 Programs to be held at the Flat River Gym - Fee based with potential revenue of \$4,205.00 after expenses.
- A Evening Hooping (1) Limit 20 per season x 3 seasons = 60
Two, 1 hour sessions per week x 21 weeks = 42 hours
42 hours x \$20.00 per hour = \$840.00
(Sunday and Thursday evenings 6-7pm)
Note: The proposed fee per participant for 2011 is \$25.00
(Max revenue projection \$1,500.00)
- B Preschool Gym Sessions (1) Limit 30 per session x 2 sessions x 3 seasons = 180
Two 1.5 hour sessions per week x 21 weeks = 63 hours
63 hours x \$15.00 per hour = \$945.00
(Tuesday and Thursday from 9am-10am)
Note: The proposed fee per participant for 2011 is \$10.00
(Max revenue projection \$1,800.00)
- C Evening Tai Chi Class (1) Limit 30 per session - 3 sessions = 90
One, 1 hour session per week x 21 weeks = 21 hours
21 hours x \$20.00 per hour = \$420.00
(Wednesday evenings 6pm-7pm)
Note: The proposed fee per participant for 2011 is \$10.00
(Max revenue projection \$900.00)
- D Family Archery (1) Limit 20 per session x 3 seasons = 60
One, 2 hour session per week x 21 weeks = 42 hours
42 hours x \$20.00 per hour = \$840.00
(Friday evenings 6pm-8pm)
Note: The proposed fee per participant for 2011 is \$25.00
(Max revenue projection \$1,500.00)
- E Morning Walking Club (1) Limit 40 per season x 3 seasons = 120
Four, 1 hour sessions per week x 21 weeks = 84 hours
84 hours x \$10.00 per hour = \$840.00
(Monday and Thursday mornings 7-8am)
Note: The proposed fee per participant for 2011 is \$10.00
(Max revenue projection \$1,700.00)
- F Winter Wiffleball League (1) Limit 48 per season X 1 season = 48
One, 4 hour session per week x 7 weeks = 28 hours
28 hours x \$10.00 per hour = \$280.00
(Sunday afternoons 11am-3pm)
Note: The proposed fee per participant for 2011 is \$10.00
(Max revenue projection \$480.00)
- G Parent/Child Volleyball (1) Limit 28 per season x 2 seasons = 56
One, 2 hour sessions per week x 7 weeks x 2 seasons = 28 hours
28 hours x \$10.00 per hour = \$280.00
(Saturday afternoons 4pm-6pm)
Note: The proposed fee per participant for 2011 is \$5.00 per person (child ages 9 - 11 only)
(Max revenue projection \$280.00)
- H Saturday Night Gym Party (2) Limit 30 per season x 3 seasons = 90
One, 3 hour session per week x 7 weeks x 3 seasons = 63 hours
63 hours x \$10.00 per hour = \$630.00 x 2 staff = \$1,260.00
(Saturday nights 8pm-9pm for grades 3-5 only)
Note: The proposed fee per participant for 2011 is \$25.00
(Max revenue projection \$2,250.00)

(Total Max Revenue \$9,910.00)

49 Special Event Staff3,229

The Recreation Department hosts many themed family special events and sports competitions (37) for the community. We have offered a few longstanding events and competitions such as the Easter Egg Hunt, Tree Lighting, Hershey Track and Field and Pitch Hit and Run. We have recently begun expanding to events such as a return of our Halloween Party, Character Breakfast, Junior Olympic Skills Competition and Trails Day Celebration. 315 Hours X \$10.25/hour

We would like to expand our events/celebrations to encompass the following themes:

- A National Youth Competition - Local and State Hershey Track & Field Competition (Volunteers)
- B July and August - Sunday night Summer Concert Series (9)
- C National Trails Day
- D Punt, Pass and Kick Football Skills Competition
- E Skate Park celebration/demonstration
- F September - Sunday night Trail Walks (5) (Volunteers)
- G Labor Day - Make a Difference Day
- H Art Showcase (Volunteers)
- I Fall Golf Program
- J Fall Tennis Clinic
- K Annual Halloween Party & Flashlight Egg Hunt
- L Fall Family Fishing Derby
- M Annual Fall Family Bingo
- N Annual Christmas Tree Lighting (Volunteers)
- O Fall/Winter Clothing Drive
- P Annual Breakfast with the stars
- Q Indoor basketball skills competition (Held at Fiat River Gym)
- R Winter Family Bingo
- S Annual Easter Egg Hunt
- T Earth Day Celebration - organized district cleanups (Volunteers)
- U National Competition - Local state baseball skills competition (Volunteers) PHR
- V Spring Fishing Derby
- W Arbor Day - Tree Planting Ceremony
- X Spring Tennis Skills Clinic
- Y Memorial Day Parade/Park Memorials

37 Dates at 8.5 man hours (avg per event) = 315 hours X \$10.25 per hour = \$3,229.00

The Parks & Recreation Department wishes to hold a series of workshops dealing with a variety of safety, emergency and wellness issues. The following is a list of possible workshops at no cost to the Town.

Well Water Do's/Don'ts
 Scrapbooking
 Bicycle Safety
 Baby Sitting Basics Class
 First Aid/CPR Class
 Home Care Issues
 Nutrition, Kids & Eating healthy
 Never Talk to Strangers (pre-school, younger youth)
 Bullying Prevention
 Easy Energy Savings & Going Green Families

BUDGET COMMENTARY

		DEPARTMENT 910 Recreation		
		PROGRAM	<u>Contractual Services</u>	
200	<u>CONTRACTUAL SERVICES</u>			
210	<u>Testing Services</u>			3,800
	Supports quarterly testing services of <u>fire alarm</u> system in the Community Center and semi annual test at Briar Point Beach, Central Coventry Park and Rice Field.			
	Community Center - one zone is tested each quarter at \$105.00 each test. X 4 = \$420.00	420		
	Briar Point Beach, Central Coventry Park and Rice Field \$150 x 6 tests = \$900.00	900		
	Supports testing services for 6 monthly water samplings at both Briar Point Beach and Green Acres Beach. RI Dept. of Health requirement that we test bathing waters twice monthly. \$40.00 per test x 12 = \$480.00	480		
	Supports quarterly well water test and Certified Operators Contract at CCP Pavilion (RI Dept of Health) \$600.00 each quarter =	2,000		
217	<u>Entertainment</u>			-
	<u>(Concert Performers entertain for 1.5 to 2 hours. Summer camp performers entertain for 45 min. to 1 hour)</u>			
	Supports children's performances as part of the seven week summer playground program. The dates, performing groups and costs are as follows:			
	Efforts have been made to block book with other communities and DEM Parks Division for all performances. This has enabled us to save money over booking individual performances.			
	Reflects a Sunday Concert in the Park Series featuring 9 performing groups scheduled to appear at Rice Field, Foster Park, Palne Field, and Briar Point Beach.			
	This allows us to showcase 4 major parks and bring free concerts to different neighborhoods.			
	Average attendance is 100 per show.			
	(Revenue from 2009 Totaled \$536.75)			
	(Revenue from 2010 Totaled \$776.41)			
222	<u>Freight and Demurrage</u>			400
	Supports shipping and freight on delivery of recreation and maintenance supplies. Most supplies are picked up locally by our own Personnel; however, certain goods delivered by carriers bear hefty freight charges, as does pickup and delivery of equipment for service.			
	Level funded since 05/06 amount.			
	Actual 2007-2008 \$1,609.89			
	Actual 2008-2009 \$ 483.03			
	Actual 2009-2010 \$ 400.00			
224	<u>Travel Expense</u>			156
	Supports tolls (\$10.00) and mileage for the Recreation Program Supervisor/Aid based on 300 miles annually x \$0.485 = \$145.50. In most cases we use Town issued vehicles.	10		
		146		
225	<u>Security Monitoring</u>			936
	Supports the monthly <u>security monitoring</u> fee for the Sontrol System in the Coventry Teen Center. Cost is \$78.00 monthly X 12 = \$936.00	936		
231	<u>Advertising</u>			6,500
	Employment ads in the Coventry Reminder.			
	3 Ads (two column X 7" display ads) totaling \$495.00			
	Six (6), three-column x 5" ads for fall, winter and spring @ \$165.00 = \$990.00			
	Funds from printing account for summer ads to The Reminder \$1,300.00 X 1 = \$1,300.00			
	We intend to place 2 half page ads in the Coventry Reminder each season (4) to promote programs. 8 X \$450.00 each = \$3,600.00			
	We intend to place 1 1/4 page ad in the Coventry Reminder each season (4) to also promote programs. 4 X \$240.00 each = \$960.00			
	Actual 2007/08 is \$1,178.00			
	Actual 2008/09 is \$1,519.85			
	Actual 2009/10 is \$2,766.00			
	Actual 2010/11 is \$2,273.50 as of 12/31/10			
	We have significantly reduced the distribution of program brochures in lieu of seasonal advertising.

DEPARTMENT 910 Recreation

PROGRAM Materials & Supplies

300	<u>MATERIALS AND SUPPLIES</u>	
301	<u>Office Supplies</u> Supports the purchase of paper, envelopes, folders, display units, pads, planners, tape, binders, tags, clips, markers, pens, pencils, calendars, Community Center Appt. Book, poster board, stencils and art work for posters. Has increased with program expansion. Actual expenditure 2007/08 was \$1,605.00 Actual expenditure 2008/09 was \$1,980.00 Actual expenditure 2009/10 was \$1,800.00	1,765
302	<u>Books and Magazines</u> Supports the purchase of publications from the National Recreation and Park Association and the Learning Resources Network. NRPA and LERN offer discounts on books, pamphlets and booklets covering topics such as vandalism, park planning and design, guidelines for new and innovative programs, and recreation handbooks. Level funded since 05/06 amount.	100
305	<u>Decorations/Town Buildings</u> Supports the purchase of supplies and decorations to prepare the Community Center, Teen Center and fields for seasonal events (27). (See account 102, Line 49) Materials for bulletin boards at the Community Center, Teen Center and Flat River Administration Building to promote special events for youth and families.	400
321	<u>Agricultural and Horticultural Supplies</u> Supports the purchase of "Flight Control" goose control 5 gal. @ \$100.00 = \$500.00 Fertilizer - 4 tons @ \$254.00 = 1,016.00 Grass Seed - 1500 lbs. @ \$1.75 2,625.00 Pelletized Limestone - 24 Tons @ \$40 960.00 Herbicide - 8 Gallons Roundup 540.00 Growth retardant - 30 Bags Treflan @ \$31.55 930.00 These materials are applied at parks and ball fields throughout the growing season. Fertilizer is usually applied in the fall except for new field development. Grass seed is applied in the rehabilitation of existing fields and in the development of new fields. Herbicide is applied to keep unwanted growth from the skin portion of ball fields and as weed control along fences and under bleachers. Since the introduction of Middle School flag football, extensive turf management and restoration is required annually at Foster Park. Even the new football field at Rice Field needed top dressing after just 2 seasons. Also, in 2011 turf and infield improvements will be needed at certain fields exhibiting excessive wear. (\$500.00) At least two fields are chosen annually for such improvements in the fall. "Flight Control" is applied 1 time per season on 10 acres in an attempt to deter the geese population. Our concentration is on the major fields. Material applied at 1 gallon per 2 acres. Additionally, we will perform a makeover of the Quidnick diamond \$500.00 which we could not perform last year due to layoffs. Actual expenditure for 2007/08 \$6,602.06 2008/09 \$11,074.00 2009/10 \$6,671.00 (3 yr average \$8,115.00)	6,700
322	<u>Asphalt Products</u> Provides for 25-30 tons of asphalt for patch and repair of driveways and parking lots at various park locations. Also used for drainage swale and catch basin repairs. Est. of 30 tons @ \$40.00 \$1,200.00	-
324	<u>Cleaning and Sanitary Supplies</u> Supports the purchase of floor stripper, floor sealer, floor finish, all-purpose cleaner/degreaser, toilet tissue, turn towel, hand soap, ammonia, dry and wet mop refills and handles, steel wool, deodorant blocks, etc. for cleaning the Community Center, Teen Center, Foster Memorial Park, Rice Field Pavilion, and the restroom addition to the Community Center. Now supports the new facilities at Briar Point Beach and Central Coventry Park with two full years of experience. Reflects a modest increase for the operation of 2 new restroom facilities at Briar Point Beach and Central Coventry Park. Also, supports 2 pallets of Ice Melt. Pallets at \$730.00 per pallet. 98 bags at \$14.89 Actual expenditure 2007/08 - \$3,736.00 Actual expenditure 2008/09 - \$6,051.00 Actual expenditure 2009/10 - \$5,800.00	5,500

PROGRAM Materials & Supplies

325	<u>Concrete and Materials</u> Supports the purchase of cement blocks, mortar and cement mix for construction and repair of steps, walks, and fence poles, setting slabs & Footings. (\$700.00)			700
326	<u>Sand, Stone, and Gravel</u> Crushed Stone - 8 tons @ \$10.00 = \$80.00 Screened Loam - 75 yds. @ \$28.00 = \$2,100.00 Washed Sand - 84 tons @ \$11.50 = 966.00 Processed Gravel - 100 Tons @ \$9.34 = 934.00 Coarse Stone Sand - 25 Tons @ \$13.50 = 338.00 Subsoil - 160 yards @ \$25.00 = 4,000.00 Concrete stone sand mixture - 10 tons @ \$8.00 = 80.00 Fibar Trail System Mulch - 45 yards @ \$14.00 = \$630.00			8,498
	<u>Sand</u> is applied to resurfacing Briar Point and Grean Acres Beaches and is used as a soft play surface beneath playground equipment. <u>Processed Gravel</u> is applied for parking lot and driveway repairs at various locations. <u>Crushed stone</u> is used principally for drainage projects. <u>Stone Sand</u> is applied to resurfacing Paine Field where ball diamonds and warning tracks are constructed of stone sand surfaces. <u>Subsoil</u> is applied as a conventional surface to the "skin" portion of other ball diamonds. The cost of this product is skyrocketing. <u>Concrete Stone, Sand Mixture</u> is used for installation of fence poles and various repairs involving concrete mixture. <u>Screened Loam</u> is for top dressing, turf restoration and repairs of worn areas. <u>Fibar Trail System Mulch</u> is for creating and restoring ADA accessible walkways within parks and playgrounds. We have been very successful in getting RIDEM Grants for trail improvements. Its best use is for playground access points and safety surfacing, however, grant funding is limited to Trail Development. We are mandated by Consumer Safety Guidelines and ADA Guidelines to provide safety surfacing. Actual 2008/09 \$8,336.00 2009/10 \$8,200.00			
328	<u>Lumber and Wood Products</u> Supports the purchase of dimensional lumber, sheet lumber and material, drift fence and poles, posts and planks for construction and repair of <u>bleachers, benches, picnic tables, see-saws, sign posts, lifeguard chairs, dugout roofs and outside park buildings</u> , as well as repairs and improvements to the Community Center and the Teen Center. Actual for 2007/08 - \$3,814.00 3 Year Average \$4,263.00 Actual for 2008/09 - \$5,175.00 Actual for 2009/10 - \$3,800.00			3,800
330	<u>Medicines</u> Replenishment of medical supplies for first aid kits utilized in seasonal programs. Includes gauze, patches, tape, bandages, swabs, <u>ice packs</u> , etc. We are restocking over 18 first aid kits annually at \$22.00 each.			400
331	<u>Tires and Tubes</u> Tire and tube replacement as necessary for director's car, 3 pickup trucks, maintenance van, 3 utility trailers, Ford tractor, 2 John Deere tractors, GMC dump truck, bus, 5 lawn mowers, bulk truck, park patrol vehicles and other grounds maintenance equipment. Includes road service calls for tractor tire repair or replacement. Provides for replacement of a portion of our total tires in the fleet of over 100 tires Level funded since 05/06 amount. Actual 2008/09 \$2,039.00 2009/10 \$1,500.00			1,500
332	<u>Minor Tools and Equipment</u> Supports the purchase of two lawnmowers (\$400.00 each), one chain saw (\$250.00) and grounds maintenance tools (shovels, ladders, trimmers, rakes, brooms, blades, etc.) Also supports the \$225.00 per month allotment for miscellaneous items such as keys, gloves, wire, brushes, locks, tape, bolts, etc. This account usually funds all miscellaneous purchases for plumbing, heating, carpentry, etc. 2007/08 \$5,381.00 2008/09 \$7,913.00 2009/10 \$5,000.00 (3 Year average \$6,098.00)			5,000

DEPARTMENT 910 Recreation

PROGRAM Materials & Supplies

333	<u>Auto Gas, Oil and Lube</u> 2011/12 fuel consumption projections based on 2010 calendar year actual consumption figures.				19,000
	Actual 2010 Consumption	<u>Unleaded</u>	<u>Diesel</u>		
		3406 Gals.	2,041 Gals.		
	Per gallon fuel cost. Projection developed using 2010 year.	X 3.32	X 3.56		
		\$11,308.00	\$7,266.00		
	Agrees with DPW estimates. Includes fuel for all vehicles and grounds maintenance needs.				
334-01	<u>Auto Repair Parts</u> Supports annual tune-up and replacement parts as necessary for director's car Park Patrol Vehicle and 1 pool car. All vehicles were formerly from the police fleet. Actual 2007/2008 \$812.00 2008/2009 \$2,577.00 2009/2010 \$1,440.00 (3 yr. Average is \$1,609.00)				1,500
334-02	<u>Truck Repair Parts</u> Supports annual tune-up and replacement parts as necessary for maintenance of vans, bus, dump truck, trailers, pickup trucks, bulk truck. Actual 2007/2008 \$5,741.00 2008/2009 \$8,844.00 2009/2010 \$8,630.00 3 year average. Typically half of private garage services are labor. Over time we had hoped to see a continued decrease in this line as more work is achieved by our own mechanic, but year to date expenses for outside services is at <u>\$4,700.00</u> .				8,600
334-03	<u>Equipment Repair Parts</u> Supports annual tune-up and replacement parts as necessary for 1976 Ford 2700 Diesel tractor, 2005 New Holland Tractor, 1972 John Deere 401 Tractor, and 1976 John Deere Tractor and their <u>respective attachments</u> (9). Also supports repairs to grounds maintenance equipment, such as five John Deere diesel mowers, 3 lawnmowers, rototiller, aerators, infield pro, 3 power blowers, 3 backpack blowers, chain saws, snow blower, weed eaters and sprayer. Some services and repairs are performed by the John Deere Dealer. Our second and third line tractors are now 35 and 39 years old and need constant attention. Actual 2007/2008 \$6,034.00 2008/2009 \$4,237.00 2009/2010 \$5,126.00 (3 Year Average)				5,200
335	<u>Paints and Supplies</u> Supports the purchase of paints and stain for twenty-one outside buildings at Rice Field, Paine Field, Central Coventry Park, and Foster Park. Park and playground accessories such as picnic tables, bleacher boards, benches, and beach accessories are painted annually. Also supports annual touch-up work at the Community Center (10 gallons @ \$18.00 = \$180.00). Additional paint needed to maintain equipment and other park accessories such as barrels, bleacher frames, steel barriers, buoy lines and mowing decks. Actual 2008/2009 \$1,092.00 2009/2010 \$1,100.00				750
337	<u>Electrical Supplies</u> Supports the purchase of fluorescent lamps for the Community Center (2 cases @ \$4.00 ea. (48)) = \$192.00. Three dozen flood lamps for Community Center, Teen Center, Briar Point, Foster Park, Rice Field, Central Coventry Park and Garage @ \$5.00 = \$180.00. Replacement lamps for Paine Field. Paine Field 5 @ \$70.00 = \$350.00 Other supplies needed include ballast, starters, switches, boxes, plates and 14/2 Wire, etc. = \$250.00. Actual 2009/2010 \$1,200.00				1,000
338	<u>Sewer Grates, Manhole Frames</u> We have completed the installation of several drainage galleys to alleviate flooding problems in parks. (<u>Community Center, Foster #3, Paine, Greenway, Foster #2</u>). Others at Foster I, Hunter's Crossing, Green Acres Beach entrance, Wood Street Field and Briar Point, have yet to be addressed. We propose to do more drainage structures each year to continue to address these concerns. Includes crushed stone, concrete galley and steel frames for 2 assemblies. (Estimated cost of \$1,000.00 each). Deleted Last Year. <u>\$2,000.00</u>				-

DEPARTMENT 810 Recreation

PROGRAM Materials & Supplies

339	<p><u>Wearing Apparel</u> The Town will provide Tee-Shirts, Jackets, Rubber Boots, Rain Gear, Sweatshirts and slacks and shirts on a new contract service. Since there are no provisions for replacement, items are provided only as needed.</p> <p>Tee-Shirts 6 X 7 = 42 42 @ \$5.00 = \$210.00 Rubber Boots 4 @ 29.00 = 116.00 Rain Gear 4 @ 38.00 = 152.00 Sweatshirts 2 X 7 = 14 14 @ 20.00 = 280.00 Jackets 4 @ 60.00 = 240.00 Slacks Uniform service item \$3,000.00 Shirts Uniform service item \$3,000.00</p> <p>Per person cost of \$1,000.00 annually. Line item 339 agrees with the Personnel analysis long form, figure of \$7,000.00. Ear Guards, Gloves, Helmets, Face Shields and other safety equipment provide thru Acct 332 - Minor Tools and Equipment.</p>	6,000
340	<p><u>Traffic and Street Signs</u> Supports the purchase of 20 poles @ \$15 and 20 signs @ \$20 annually for replacement or new installation. Some new sign placement, but a good deal is due to theft or vandalism. This is a fraction of our actual sign costs. Many signs are made on paper and laminated, then posted on plywood blanks and hung on fences. These signs cost \$1.00 each and are used for seasonal directions, field closures, and some park regulations. We have inventoried 30 signs to address dog waste problems in parks.</p>	800
341	<p><u>Pipe</u> Supports the repair and replacement of various fence component parts by our own staff at facilities throughout town. Repairs include gates, fence posts, railing, braces, hardware for assembly of fences, 2" diamond mesh fabric. We presently have nearly six miles of chain link fence installed at various park sites. These fences range in height from 4' - 12' and all are constructed of Cedar Post & Rail and Galvanized pipe and fabric. We estimate replacement of only 2% or 635 Ft. of our total linear footage of fencing each year. Actual 2007/2008 \$1,858.00, 2008/2009 \$2,876.00 2009/2010 \$1,100.00 (3 Year Average \$1,944.00) The CIP does not reflect these repairs but rather new installations by private contractors. This now includes nearly 1 additional mile of fence installed in the fall of 2010 at seven park locations to prevent motorcycles, quads and vehicles from entering fields and play courts.</p>	1,300
348	<p><u>Recreation Supplies</u> Supports the purchase of tee shirts, equipment and supplies for summer program as well as the other 21 weeks of seasonal programs including Mixed Grill, pre-school programs, Middle School, crafts and year round Teen Center. Includes assorted games, DVD's, books, craft supplies and athletic equipment. Field day supplies and prizes for numerous contests will be purchased from this account. Also supports repair and replacement of beach/lifeguard equipment such as buoys, lines, rescue tubes, signs, etc. Also supports mats, steps, basketball equipment for both youth and adult programs. \$500.00, Crafts \$600.00, Athletic, field day equipment and tabletop game tables \$1,000.00. Awards/prizes \$300.00. T-shirts \$3,200.00. Beach equipment \$300.00. 21 weeks of Fall/Winter Spring programs and 9 weeks of vacation camps \$1,600.00 Supports numerous seasonal events (27) that occur throughout the year, (see report attached to acct. 102 Line 49) \$1,200.00</p>	6,500
	<p><u>TOTAL MATERIALS AND SUPPLIES</u></p>	85,013

Human Services

The Department of Human Services was expanded from the Coventry Senior Center in 1991 to provide residents of the Town a vehicle where social, economic, physical and psychological needs could be addressed, using a comprehensive service delivery system. A holistic approach provides programs to include but not limited to: daily congregate meal program for residents over the age of 60 and or persons with disabilities; home delivered meals to homebound residents; intergenerational programs; support groups; wellness programs; mental health services; crisis intervention, many times with the Coventry Police and the School Department; Adult Day Services for persons with memory and dementia issues; Day Habilitation Program serving 22 adults with developmental disabilities, which is licensed by the State of Rhode island; transportation; volunteer opportunities; financial and budget counseling; assessments for various local, state and federal resources; case management and emergency food provision through the Community Food Bank.

These services have an identifiable impact on residents who otherwise would have little or no way to access needed services and resources. The department has a well developed partnership and linkage with many resources which enhance the ability to provide needed services.

The Senior Program portion of the department is certified by The National Institute of Senior Centers. The Department works with all residents of Town of Coventry. The department has a staff of 1 Social Work Supervisor, 4 Social Workers, a Benefit Specialist, a Food Bank Coordinator, a Volunteer/Program coordinator, and a Project Friends Coordinator to assist community members to access all services and resources. There is also a Maintenance/ Custodian who keeps the building in shape; a Bookkeeper responsible for all financial matters; a part time Meal Site Manager who deals with the day to day operation of the congregate lunch program and the Meals on Wheels program and; a part time Volunteer Coordinator who is responsible for the day to day management of our core of volunteers.

The top goal remains the relocation of the department to the Flat River Annex building which will afford the department more space and opportunity to maintain services. The Department Director has been successful in securing some funding for the project and continues to search for other funding streams to complete the venture. The Department continues to see an increase in the needs for services for teenagers and the under 60 population. Therefore, developing resources, services and programs to address the concern of this population, particularly in the area of mental health issues, is a second priority. The third area of focus is to continue to maintain programs and services for the over 60 population, targeting the "Baby Boomer" generation

Coventry Public Library

The Coventry Public Library provides comprehensive library service to over 14,000 active library card holders with many others using the library's computers, databases, programming and in-house materials. The library is open 7 days a week providing 64 hours of public access. All computer use (internet, word processing, and juvenile games), reference service, programming, and materials are offered free of charge.

While the library conducts approximately 12 in-house programs each week, we are a presence out in the community as well. Our Homebound Program brings library materials to Coventry residents unable to leave their homes and to those who live in Coventry's nursing facilities. Our Youth Services librarian provides outreach to our Head Start population and to 5 area preschool groups. Our nationally accredited adult literacy program, Literacy Volunteers of Kent County, offers one-on-one ESL and basic reading instruction to adults. Almost 12,000 patrons took part in library programs last year alone. As part of the library consortium, Ocean State Libraries, patrons have access to holdings across the state through the statewide delivery system. Coventry Library saw a 16% increase in the use of the delivery system last year (over 78,000 items). The popularity of our own collections coupled with the convenience of the delivery system has boosted our circulation to 244,532 (8.6% increase) items per year. Expansion also took place in our service to the western portion of town as the partnership with the Greene Library Association has been very successful and has resulted in increased hours, materials, and services at the Greene Library.

Coventry Public Library remains grateful to the Champlin Foundations, state grant-in-aid, our Friends organization, and the Anthony Lyceum, for their operational support and to the Coventry Public Library Foundation for their fundraising efforts aimed at a future expansion of the library. However, it is the continued and essential support of the Town of Coventry that truly allows the library to grow in service to the community.

Planning and Development

The Planning Department is responsible for administering state and local law relating to land use and planning for the Town of Coventry.

Principal activities include staff assistance and formulation of recommendations to the Town Manager, Town Council, Planning Commission, Zoning Board of Review, Conservation Commission and Land Trust.

This assistance includes land use regulatory review; development of Resolutions and Ordinances affecting land use and economic development such as the 'Impact Fee Ordinance', the Floodplain Management Program Ordinance (approved by FEMA in September 2010), the homeowner Low Interest Sewer Tie-In Loan Resolution & Program (approved by R.I. Clean Water Finance Agency), Hazard Mitigation Plan Update (approved by FEMA in December 2010) ; enforcement of zoning ordinances and land use regulations; review and modification of major & minor residential subdivision developments, commercial land development projects and low & moderate income housing projects; coordination with developers and State & federal agencies respecting site layout, wetlands, storm water management control measures, traffic, wildlife, septic disposal systems and environmental matters affecting particular developments and the community as a whole; application and administration of grants respecting Community Development Block Grant Program (CDBG) for low and moderate income families (\$213,750 awarded to Town in September 2010 to fund septic system, gutters, roof and similar repairs for Coventry residents), Pre-Disaster Mitigation Grant applications to FEMA for flood damage remediation and mitigation efforts, Hazard Mitigation Grant applications to FEMA for storm water management/drainage projects, USDA-Natural Resources Conservation Service Grants for erosion control & remediation measures associated with Pawtuxet River (\$89,025 awarded to Town in March 2011), Community Development Block Grant-Disaster Relief Grant applications, Brownfield's program to remedy contaminated sites, acquisition of open space and conservation areas for passive recreation of residents; administration of low interest loan program for residents with failed septic systems; development of proposed ordinances and regulations addressing aesthetic improvements for properties and streets in the community; assistance to the public in matters relating to flood hazard areas to include interpretation of flood zones designated by FEMA; and coordination & review of plans and projects which impact the environment.

The Planning Commission, with the assistance of the Planning Department, reviews, conducts public hearings and, if appropriate, approves all subdivisions of land, comprehensive permits for low & moderate income housing projects, makes recommendations to the Zoning Board respecting requested variances

and provides recommendations to the Town Council for proposed changes of uses within a zoning district. Amongst those projects which it has reviewed and acted upon are the Aesthetic Zoning regulations for Route 3 & Sandy Bottom Road; development/redevelopment of Dunkin Donuts, Dave's Marketplace, CVS, Walgreens, McDonald's restaurant, J. Arthur Trudeau Center, Gorton-Menard Funeral Home & Crematory expansion, Stop & Shop Fuel, Sovereign Bank, Gentlemen Farmer, Ss. John & Paul Church, Network Piping on Tiogue Avenue, Papa Gino's; development of CVS, Webster Bank & Dunkin' Donuts on New London Turnpike, accounting offices on Arnold Road; proposed expansion of Day Care Center, comprehensive permits for low or moderate income housing for Coventry Housing Authority on Route 117/Contentment Drive (34 units) and Edith Street (44 units) and Sherwood Village on New London Turnpike (168 units) .

The Zoning Board of Review reviews and conducts public hearings on permits for dimensional variances, special use permits and use variances.

The Land Trust is charged with the acquisition and preservation of open space and conservation areas for the public use of the Town's citizenry. The Land Trust inspects reviews and makes recommendations for Town outright acquisition/ purchase of development rights of lands for open space and conservation purposes. Through matching grants with The Nature Conservancy, R.I. Department of Environmental Management and the Forest Legacy Program the Town, through the efforts of the Trust, has acquired 180+ acres of land adjacent to Stump Pond, 100+ acres of land on Route 117, 55+ acres of land abutting the Pawtuxet River & Sandy Bottom Road and other properties.

The Conservation Commission acts in an advisory capacity to the Planning Commission and town in matters relating to preservation of natural resources to include review of subdivision & land development projects, protection of watershed areas and aesthetic resources of the community.

CONTRACTUAL SERVICES

219 **Professional Services** align="right">**\$5,000**

This item funds environmental studies, environmental review team reports (ERTs) prepared by outside scientists and experts to study and provide data on the impacts of proposed developments on wetlands, wells, soil compaction, stormwater runoff, adequacy of drainage systems, wildlife, traffic circulation; revision of comprehensive plan update to include recent changes to State Guide.

Grant Writer Services align="right">\$0

224 Travel, Seminar, and Conference Expenses**\$1,250**

This line item provides funding for staff attendance of seminars and It covers in-state travel, including mileage, parking, tolls, conferences etc.. Fleet vehicles are used as a norm, although private vehicles are often used for out of state travel and when a fleet vehicle is not available.

Included in this item is the registration cost of attending conferences and seminars for professional development. The importance of continuing education can not be overstated. Current Planning Department staff has been successful in providing information and support related to the numerous planning issues that face the Town of Coventry, through continuing education. Staff attends professional development programs to stay current with the issues and initiatives that effect numerous decisions that this Department must address. These conferences are often held out of Town or State, requiring travel and lodging.

233 Printing**\$2,500**

This line item covers the cost of printing associated with grant proposals to numerous agencies, which require color copies, and general printing. Additionally, in house projects and presentations to the Town Council and other agencies require printed materials, including maps, drawings, reports, etc. The sophistication of contemporary printing materials allows this Department to produce quality presentation products.

MATERIALS & SUPPLIES**301 Office Supplies****\$1,200**

This line item covers office supplies for the Planning Department, Planning Commission, Zoning Board, Conservation Commission and other boards and committees. Given that the Comprehensive Plan will be done in-house, a greater amount of supplies will be needed in order to accomplish this task.

302 Books & Magazines**\$1,000**

This item covers the cost of books and magazines which allow Department staff to keep abreast of contemporary planning issues.

Governing Magazine
Zoning News
Land Use Law and Zoning Digest

347 Photographic Supplies**\$100**

Photographs are used by the Planning and Zoning Department as documentation of zoning enforcement issues, and site visits. We are requesting funding for a new photo printer that would be able to print digital pictures with photo quality at a fraction of the cost.
