### Meet this month's Shining Star KELLY!!

Kelly is one of our friends here at Project Friends. Kelly's achievements are beyond believable. Last month not only did Kelly place sixth in the RISPCA horse and rider versatility show but she also received a Certificate of Achievement in recognition of her outstanding contribution to the 2017 Poetry Competition.

Reporter, Julie MacDonald sat down with Kelly to find out a little more about her. Kelly's favorite foods are Mexican and Chinese. If she could travel anywhere in the world she said she would like to go to Aruba with case-aid Stephanie. Kelly also stated she looks forward to her weekly date nights with her boyfriend Manny.

## *Memories*

*By, Kelly Olsen*

My family I believe  
My feelings will not leave  
It's hard to lose someone  
A hero's work is never done  
My memories make me smile  
The hero went the extra mile

Poetry  
is what  
happens  
when  
nothing  
else  
can.
