FOR RHODE ISLAND EMPLOYEES

If you have been impacted by Coronavirus disease 2019 (COVID-19) and are quarantined and unable to work, or your workplace has been temporarily closed, please review the following information about assistance available through State programs. The Department of Labor and Training (DLT) will do all that we can to ensure impacted Rhode Islanders receive the benefits for which they are eligible.

If you are unable to work, but your place of business remains open, you may be eligible for Temporary Disability Insurance (TDI).

- To apply for TDI, please visit https://dltweb.dlt.ri.gov/TDIResolver/.
- Be sure to clearly indicate on your application that you have been impacted by COVID-19.
- Benefits may be available for you to care for yourself or a family member that has been impacted through Temporary Caregiver Insurance (TCI).
- For more information about TDI please visit http://www.dlt.ri.gov/tdi/tiiforms.htm.
- For COVID-19 related claims, DLT will waive the seven-day minimum amount of time that claimants must be out of work to qualify for TDI/TCI benefits.
- For individuals under quarantine, DLT will waive the required medical certification, and instead will allow them to temporary qualify via self-attestation that they were under quarantine due to COVID-19.

If you are out of work and are not being compensated, you may be eligible for Unemployment Insurance (UI).

- If your place of business closes, or you are directed by your employer to remain home, you may be eligible for unemployment insurance (UI).
- To apply for UI, please visit http://www.dlt.ri.gov/ufiliclaim.htm.
- Please be sure to indicate that your claim is a result of COVID-19.
- DLT will waive the seven-day waiting period for UI claims related to COVID-19.

Additional Resources:

- Most Rhode Island private sector workers are eligible for earned sick and safe leave. The benefits provided by this leave may be used to take time off from work to care for themselves or family members that have been affected by COVID-19.
- Based on the size of your employer, earned leave may be paid or unpaid. For information about earned sick leave please visit http://www.dlt.ri.gov/las/pdf/lSPWfactsheet.pdf.
- Please check with your employer regarding their sick leave policies, the amount of time that you may have earned and may be available for use, and details about how to use this benefit.
- Some Rhode Island workers are covered by the Rhode Island Parental and Family Medical Leave Act and/or the Federal Family and Medical Leave Act (FMLA). Eligible employees may be able to take job-protected leave under this act to care for themselves or a family member that has been impacted by COVID-19. For information about FMLA please visit https://www.dol.gov/agencies/whd/fmla.

For Parents: Children and teens react on what they see from the adults around them. When parents and caregivers deal with the COVID-19 calmly and confidently, they can provide the best support for their children. Parents can be more reassuring to others around them, especially children, if they are better prepared.

There are many ways you can support your child:

- Take time to talk with your child or teen about the outbreak. Answer questions and share facts in a way that your child or teen can understand. Also, check out Talking with Children: *Tips for Caregivers, Parents and Teachers During Infectious Disease Outbreaks from SAMHSA*.

- Reassure your child or teen that they are safe. Let them know it is ok if they feel upset. Share with them how you deal with your own stress so that they can learn how to cope from you.

- Limit your family’s exposure to news coverage, including social media. Children may misinterpret what they hear and can be frightened about something they do not understand.

- Try to keep up with regular routines. If schools are closed, create a schedule for learning, just relaxing or fun activities.

- Be a role model. Take breaks, get plenty of sleep, exercise, and eat well. Connect with your friends and family members.

Activity Ideas:

**Start with Meditation.** Headspace is a good app that has kid-friendly content and is the ideal mindful way to start the day.

**Learn a language together.** Yes, there will be school lessons, but why not take on a family fun project. The *Duolingo* app is one to try. *Babbel* is offering students three months free access.

Do something crafty each day. Could be just 10 minutes of coloring or something more ambitious. You can also get craft boxes mailed to you. There are a lot out there, here are just a few: *Ann Williams* *Cratejoy* *SmartArt*

**Recipe challenge.** Let your kids search online and pick a recipe each day. You might be limited on ingredients so start your search with what you have on hand.

Check out *Taste of Home.*

**Keep in Touch.** Since it’s unlikely you will be making trips to see the grandparents, aunts, uncles, cousins or close friends, have your kids start writing letters. Be creative, stay in touch!
